News to ROAR about at Lincoln

Principal Schweinler's Corner

I wanted to give a big THANKS to those parents who attended Parent Teacher Conferences. They were a success, and it was so nice to see high attendance! It is important to visit with your child's teacher about academic and behavioral concerns. What you can do at home to support the school efforts makes a big impact in the life of your child. Remember, we are a team here at Lincoln Elementary. Thanks for your help in that endeavor!

The frost is on the pumpkin...or at least it is getting to that point! We want to make sure that students get the fresh air that they need, so please send a jacket or sweatshirt with your child. The weather has been wonderful, but chilly on the playground, especially in the mornings. Thanks for your cooperation and support in this situation.

Mrs. Fanning's Corner...

I just wanted to take the opportunity to tell you how much I am enjoying this new position that I am in this year. For those of you who don't know me, I have been at Lincoln since the Fall of 1999. At that time, I started as a first grade teacher and then moved to third grade the following year. I have spent 8 and a half years at Lincoln, and have thoroughly enjoyed my time spent here.

I graduated from Emporia State University in the Spring of 2007 with a Master's Degree in Educational Administration. I was not planning at that time to pursue an administrative position for a little while. However, the Assistant Principal position came open last year and I felt as though it was a great opportunity that I could not pass up.

It has been an opportunity that has allowed me to get to know so many students, which is what I really love about it! We are very blessed to have an outstanding student body, supportive parents, and a staff that truly loves children. Thank you for allowing me to get to know your child, I look forward to a positive and prosperous year!
